

YMCA Values **Honesty-Caring-Respect-Responsibility**

2012 Washington YMCA State Swimming Championships

Much more important than winning a 1st place medal is being a person of such positive character that others can look up to their leadership in the areas of Caring, Honesty, Respect and Responsibility. This year we have asked the coaches from each team to select one person on their team in each of the 4 YMCA character categories and submit their names for print in our meet program. Because all of these young people exemplify great character, we are going to randomly select just one from each category to receive a plaque representing his/her fellow nominees. This will be awarded prominently at the swim meet.

Please evaluate your swimmers who meet these characteristics and deserve to be recognized. Return this information to Coach Jim Cornforth by December 15, 2011.
